+ New Request

Can we add another button for new request at this location. At first I cannot notice the button on top. It took me sometime to find out. It will be good to have 2 buttons.

6. Click Edit button on the right hand side to edit the request . After you have done

## 9. Click on the Detail button in Comparison table to show the detail of the Submitted quotes

The screenshot shows the wattprice website interface. The browser address bar displays the URL: `workbyhaidev.com/ect/electricity/public/Customer/ViewSubmittedQuotesDetail/14`. The website header includes the wattprice logo and navigation links: HOME, ABOUT US, OFFERS, KNOWLEDGE HUB, FAQ, CONTACT US, Profile, and Logout.

The main content area is titled "Customer Dashboard" and "View Submitted Quotes". It features a user profile for "Sophanno Top" with a green shirt icon. A sidebar menu on the left contains the following options: Request, View Submitted Quotes, Search for Price, View Offer, Change Password, Logout, View Confirmed Retailers, Submit Reviews of Retailers, Chat Message (with a red notification bubble), and Edit Profile.

The main content area displays the following details for a submitted quote:

- 905 ซอย ลุมพินี นามินทร์ แขวง คลองจั่น เขต บางกะปิ กรุงเทพมหานคร 10240 : 2017-10-14 14:50:31
- Retailer A Price details
- Price Model : Fixed / Discount off Published Tariffs
- A : Electricity unit Price : / kWh
- B : MDSC : 12 / kWh
- B : UOS : 12 / kWh
- A + B + C : Total Price : 5.00 / kWh
- Other Charges : 5.00 / kWh
- Payment Terms : 14 days / 21 days
- Promotions : 1 free month
- Terms and Conditions : Click here
- I agree and accept the terms and conditions

A red callout box with white text is overlaid on the right side of the dashboard, stating: "To be confirmed. Need to simulate submit quotes".

The footer contains "About Us" and "Contact Us" sections, each with three quick links.

**10. Search For Price Menu:** After the Retailer have posted the Weekly Price, The Customer can search their price on this page. The Customer can search by types of the business and search by price as well.

**11. Offers Menu:** Click on the offers menu on the left hand side, The Customer will be seen offers page that used to choose plan of offers that the Retailer have posted.

Ok. We may not need this feature now. Can admin disable this first? And activate later?

12. Click on ***Detail*** button to show the detail of Offers and click on ***Choose this Plan*** to choose the offer.

13. After the Customer click Choose the plan, The Retailer can check that who have choose them offers that have to show in the ***View Customer Choose Plan Menu***.

Go to this link :

<http://workbythaidev.com/ect/electricity/public/Retailer/ViewCustomerChoosePlan>

Not ok. Has this feature confirmed? I tried but not able to see any plans from customers.

14. **Change Password Menu:** Used to change the Customer Password, The Customer just enter them Current Password and enter a New Password that they want and Confirm the New password and that click on Change Password button to Change.
